

South Kyme Rabbit's Section Challenge Cup

Saturday 20 August 2016

Today we held our Annual Challenge Cup open to all Rabbit's. To Win the Cup itself required attendance at 3 bashes or matches. An excellent turnout saw 25 competitors. The weather promised rain, but fortunately, this was blown away by the strong gusty winds, which made the course particularly challenging. This was reflected in the generally below par scores.

Before I go onto the results, I would like to say thank, firstly to our gracious long term sponsors, John & Marjorie Twells. Your support is much appreciated.

Next Carole Fewings for her able assistance in keeping me up to speed with what was needed on the day.

Helen Kirschner for keeping the halfway house so well stocked, and to those of you who kindly donated cakes etc.

To The kitchen staff for our lovely after match Burger or Hot Pork roll.

To the grounds staff for keeping the course in such good condition

And finally to all of you who stayed for the presentations. It is so much better having an audience.
