

## Handicaps Report November 2017

Once again some time has passed since the last meeting, so I will briefly list all the changes.

In the August report I noted that Jane Barlow had dropped to 17.2 in the Tuesday Thrash. This resulted in Jane winning the Order of Merit in her division and honourable mention on the club board. Well done Jane. It would be good to get more ladies on these boards. In fact we need a new board for our Ladies Handicap Champion.

Moving on, Jane won the Cancer Spoon shortly afterwards and a cut to 16. And, not content with that, the first round of the Club Championship resulted in a terrific score and yet another cut, this time to 15. August was certainly your month Jane. Congratulations.

Round 1 of the Championship also resulted in a fantastic cut for Paula, down from 24 to 21, followed by a cut to 20 in round 2. Well done Paula.

Round 2 saw success for Jane Coleman, cut to 23, a cut to 33 brought joy to Penny Gilbert and Sue Annibal managed a .4 cut but no change. That came with the September medal and a cut to 21. But the highlight of that September medal was a superb round for Sue Roberts resulting a handicap of 13.2.

The October medal saw no changes, but well done Jackie Downing who won the Stableford and was cut to 19.

Well done everyone. And well done Helen who won the Rabbits bash and now plays off 32.
