

Lady Captains Report

July 3rd 2017

We should have had a friendly match against Woodthorpe Hall at home but unfortunately as they could not get enough ladies to play it had to be cancelled.

I have provisionally organised a new date with them for next year which will be an away match.

We have a friendly match at Sandilands on the 7th July but looks like it might have to be cancelled as only a few ladies are able to play.

We have had two league matches this month one at Spalding. A fabulous course and we all enjoyed the day. But unfortunately we lost 4 – 0

The other was at Kirton Holme another great day where we all struggled with the heat. And the result was 3 – 3

We have had a new lady join us. Helen and also her husband John. Who wants to join in all we are doing. She wants to join in our comps. etc which is great. It seems now that the ladies section is getting bigger which is good news so hopefully it might not be such a struggle to get teams together.

I've had a meeting with the club captain Tony. He is getting things in place for captains day. The format is the same this year. And as usual we would like the help from the ladies donations of cakes.

Instead of burgers after the match, the captain has arranged for a fish and chip van to come and park up just to make a change.
