The Championship saw our very worthy winner cut once again to 12.1, after she had managed to tip toe back to 13! And **the Bank Holiday Stableford** gave a delighted Helen a cut to 30.

In the **September Medal** Lady Captain Myra scored a magnificent 87, nett 66 and a cut to 19.

Joan scored an excellent 67 and was cut to 26.5 and Jenny scored an equally good 69 and a much needed cut to 22.7 and Jane Barlow has been cut to 15.

The October Tuesday medal saw Penny cut to 29 and Sue Waller, who has only recently started playing after a long period of illness, winning her first medal and being cut to 35. Well done.

It has been an exceptionally good period for getting handicaps down. Several people have managed 1 or 2 shot cuts, but the really outstanding ones have been Shirley, who has come down a much needed 6 shots from 36 to 30 since May and Myra, who has come down a magnificent and much needed 7 shots from 26 to 19 since June.

Congratulations to them both and to everyone else who has successfully brought their handicaps down.
