

Ladies Open 4th September 2018

28 teams participated

The weather was kind to us and thanks to the Greens Staff the Course was in a superb condition.

The format was an AM-AM Stableford with 90% handicap allowance. The best two scores counted on each hole apart from the par 3's where all four scores counted.

It was a closely contested competition with some great scores (ranging from 94 – 101) being achieved. The outright winners with a score of 101 were a team led by Jenny Atherton from Woodhall Spa. Sandra Dearie's team also from Woodhall Spa took second place with 100 points.

The raffle in aid of the Butterfly Hospice in Boston raised £ 357.00.

Thanks were extended to the Greens / Grounds Staff, Pete Zammit & Bob Palmer plus Geoff Annibal & David Le Sage for their unstinting support either before or on the day.

Both the thank you cards and gratuities given to Janet and her team were greatly appreciated.

There has already been a number of enquiries re. 2019's event.

LADIES OPEN 2018

Income
