

LC Report to Meeting 14.11.18

1. Nothing to report on the land sale. There is a Management Meeting proposed for the 26th November.
2. Most of you are aware of the situation with Canwick Park and Immingham golf clubs. Pete has put together some very good deals to attract members to our club, Immingham will be too far for people to travel from, but hopefully we will pick up a few members from Canwick. Also a lady from Spalding club is keen to join using one of the offers, with a view to her and her husband joining later next year.
3. Decision to be made regarding the honeypot Funds
4. Observation for Bar/Catering – it was felt that bar missed an opportunity by not being open early on Sunday at the Halifax Memorial.
