

Handicap Report June 2019

During May one new member, Jackie Annibal, completed her three cards and was given a handicap of 46. Since then Jackie has enjoyed a game with the Mixed section and entered her first qualifier.

Maz Kempson is now off 50, Lorna was cut two shots in the May Stableford and now plays off 31 and Gillian Holder played an excellent game in the Saturday Swing. This unfortunately was a non-qualifier, but Gillian offered to take the cut anyway and went down to 19.

The star of the show for this month, however, was Penny, who won the Cutting Cupboard Cup in great style and received a two shot cut. To say she was thrilled is putting it mildly.

Well done everyone.

There is still nothing further to report on the WHS.
