Management Meeting – I brought the fact that the Ladies set their Committee Meeting dates at the beginning of the year and the dates are available for all to view on the fixture list, and asked if, in future, the lady representative is not at the meeting, the fixture list is consulted prior to setting the Management Meeting Date. John Stephenson is also e mailing a copy of the Minutes to all those members who have signed up to receiving communications from the club.

Gary Noble has e mailed me to say that the cost of the new Captains Boards was £235 and has asked if the Ladies will contribute £100 towards the Ladies Board. I said I didn't think it would be a problem.
