

SOUTH KYME V Kirton Holme
10 September 2016 (Away)
MATCH REPORT

Today was a day for the ducks. Full credit to Kirton Holme for having a course that was playable in today's conditions. It started raining in the early hours and continued with little respite into the afternoon.

We started the match intending to play a full 18 holes, but after 9 it became apparent that some were struggling to grip their clubs, and at least one green had shown signs of puddling. We decided to shorten the match to 9 holes, a decision I believe welcomed by all. We were narrowly beaten 3 and a half to 2 and a half, with our only victories, myself and Bill Campbell (who mostly played on his own), and Andy Davis and Nick Milburn. Mark Williamson and Dave Burrows had a half.

Bobby Clipson tried to plough up the course in disgust, although he claims his throttle shorted hence why he was driving around in circles on his buggy.

My thanks to my team, for playing in these conditions. Alan and Joan Cowie, Bobby Clipson, Steve Hinks, Ian Scholefield and Jo Kirschner.

Finally thanks to Kirton, the course was in really good condition despite the weather. As ever a great breakfast.
